2 functions - 1 unit: cordless hand and handle vacuum cleaner HV 7166

Vacuum cleaning has never been so quick and easy: With the HV 7166 you experience the freedom of a cordless vacuum cleaner combined with powerful suction power - ideal for quick and thorough cleaning of your home. With a battery life of up to 60 minutes, this model allows you to clean without having to stop charging - and in three different modes.

The high-speed electric brush in combination with the 400 watt digital motor ensures ideal results - even with animal hair or heavy soiling. At the touch of a button you can turn your HV 7166 into a handheld vacuum cleaner. Various attachments provide for various fields of application: Steps, the car, furniture - thanks to the crevice nozzle, furniture brush and upholstery nozzle, you are perfectly equipped for all areas.

But it is not only the performance that is convincing, the easy cleaning is also a real highlight. The container can be opened directly above the dustbin, so that the collected dust can be disposed of without additional contact. The filter can be removed via a rotating movement and cleaned under water - so the vacuum cleaner remains a loyal companion in the long term.
