- Care together?
- Motion detection

Highlights

Fresh food

Designed with a seal to prevent moisture and odours sneaking in or out.

Design

Perfectly designed with your cat's needs and comfort in mind.

Anti-clogging

Anti-clogging technology for worry-free meals. Suitable for 2-12 mm of dry food.

Easy to clean

Dishwasher-safe bowl and easy-to-rinse parts. Designed to keep hygiene levels as they expect.

Plan exact meals

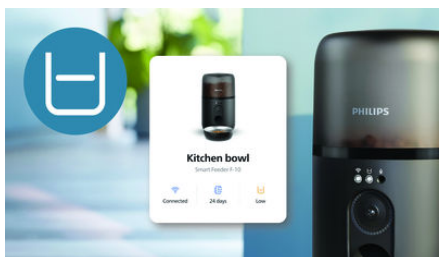

Plan exact portions ahead of time via our in-app scheduling so you can sleep in while your cat enjoys a timely breakfast.

Feel connected

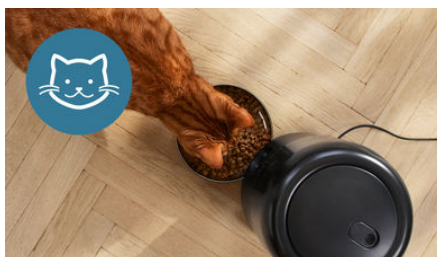

Stay in touch even when away, with our HD camera and 2-way audio.

Refill

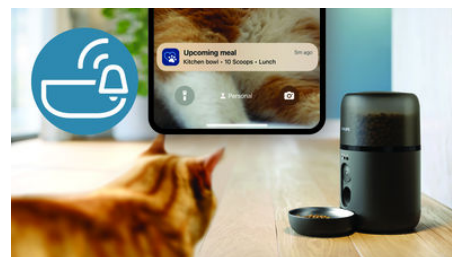

Check the app to know when the food level is low and you need to refill.

Whisker friendly

Our bowl is wide enough for whiskers and is at the perfect angle for easy digestion.

Meal notifications

Get a heads up just before a meal is about to be dispensed.
